Spring is here! We can't believe it's almost April. The girls that are 10 yrs+ went to Denver Ballet Guild at the beginning of March. They had a wonderful experience with Ms. Trinette Singleton and had the fantastic experience of getting to see the Cleo Parker Robinson Dance Company perform.

We have been working extra hard getting our routines ready for the big show. All of the ballet dances are done – tap dances will be set right after spring break. All dances have been typed up; please make sure you have a copy so your daughter can practice at home. We also welcome you to record the dances for extra practice.

We have set photographer Michelle from Misha Photography to come in on May 20<sup>th</sup> (Friday). All of the photos hanging in the studio are her work. Please try to make it even if you don't buy photos so your child can be featured on our wall. Make sure to arrive approx. 10 minutes prior to your child's scheduled time to fill out paperwork and be ready to go by photo time! We do solo shots first but if you are too late you will miss the group photo.
